Next Steps

1. Contact your local Nestle Health Science or Cardinal Health Representative to find out more about the Care2Home service.
2. The Care2Home service will be confirmed by Regal Health in the form of a Service Confirmation Letter for participating Hospitals.
3. Regal Health will make contact with each patient upon receiving the referral form from the patients healthcare professional or through an NDIS participants self referral.

* Paediatric patients under the age of 18 may access the service as long as there is a carer or family member over the age of 18 present during the training and education.

** Face-to-face support available for Melbourne and Sydney metro areas only
